

Supporting Attainment in the Senior Phase

An information guide to support your
child's learning at this important stage.

Supporting Attainment in the Senior Phase

This guide will provide information to support your child's learning during their senior years at school.

**PLEASE ENSURE YOUR CHILD MAKES USE OF THE ADVICE
AND INFORMATION PROVIDED IN THIS BOOKLET**

Details of the following items are contained within this booklet:

- SQA Subject Arrangements for N5, Higher and Advanced Higher
- A list of when Departments are offering Twilight classes

We would be grateful if you could encourage your child to:

- attend Twilights, Masterclasses and open study sessions
- plan their revision carefully taking into account any upcoming assessments
- make use of the additional resources supplied by departments and the school

Throughout the year we will post useful information on our school website and school app.

Please do not hesitate to contact us if you require any further information.

Twilight Classes - How to Boost Your Grades

What Twilight Class is all About!

- ◆ Twilight allows you to support your home revision not replace it
- ◆ Twilight allows you to go through Past Papers with a teacher to help with corrections and get handy tips on how to answer questions
- ◆ Twilight allows you to ask questions and get a deeper knowledge of parts of the course you are struggling with
- ◆ Twilight is not about re-teaching the course - there's not enough time
- ◆ You might even get to borrow revision resources that aren't on your classes GLOW site
- ◆ Twilight is not the place where you should be doing homework, but you can ask for help while there
