DEANS

Message from the chair-

"I hope everyone has had a lovely Christmas and is settling into the new term. As a council for this term our key focus is our "School Values" and "School Vision".

We are pleased that Mrs Allison will be attending our next meeting, to meet the new council and has agreed that a member of SMT should try to attend each meeting in order to speed up our work. I look forward to our next meeting and hearing how Mrs Allison feels our student Council impacts on our school."

-Kieran Rhodes

Points Raised-

These will be discussed with the senior management team:

Making lockers available for S4 students, Increasing S4 studies from six to seven subjects, Reviewing the clean air policy, Having a greater variety of healthy meals in the canteen and stopping irresponsible use of fire exits.

What We Are Doing-

Delivering a presentation on the litter problem at assemblies.

Having SMT at meetings to reduce the time it takes to develop a plan.

Having heard back from the meeting regarding improving positive mental health we are pleased to hear that many initiatives are now in the pipeline.

Important Dates-

Wed 13th, Thurs 14th of March- Council members will visit round tutors and students and staff are encouraged to pass on their thoughts and opinions.

Mon 18th of March at Lunch- There will be a drop in session in the street.

Next Meeting-

The next meeting will be in the gallery, Thursday 21st of February, 4th period.
