DEANS

Message from the chair-

"I am excited to embark on another year as chairperson of our student council. I am excited to work with Hannah our new vice-chair and the new S1 students. We have many new ideas we would like to bring into the new session and many new strategies used last year to be carried. I wish my best of luck to our new members and hope that everyone enjoys the next year!"

-Kieran Rhodes

Points Raised-

These will be discussed with the senior management team:

Religious observance assemblies, single use plastic in the cafeteria, litter in the community as well as litter in stairwells.

What We Have Done-

We are currently debating ideas of ways to reduce the cost of the school day to ensure that it is accessible to everyone. We are currently collating information from the wider school to form our agenda for the year.

Important Dates-

Monday 11th - Friday 15th-

Students will be visiting tutor classes to gather information about students opinions of our school.

Wednesday 13th November-

Council members will be in the street collecting ideas from students on how to improve our school.

Next meeting-

Thursday 21st November
Period 6
