

# What will we do to improve further in session 2022/23?

- Focus on improving student attendance
- Workshops for parents in supporting their child's learning & wellbeing

- Improved learning conversations and feedback within S1-S3
- Return of S4 work experience programme
- Additional qualification opportunities
- Further development of skills within S1 – S3

Placing the Child at the **CENTRE** of everything we do

- Whole school focus on developing student vocabulary
- Further embed the accelerated reading programme to improve S1-3 students' reading skills
- Working with our primary schools on developing literacy and science

Students at Deans Community High School will be inspired through high quality learning and teaching in a safe, inclusive environment, to confidently achieve and attain the very best they can to succeed in life, learning and work.
